Stop The Thyroid Madness

Telling thyroid patients that desiccated natural thyroid is "unreliable", "inconsistent", "dangerous" or "outdated". Making labwork more important than the hypo symptoms which scream their presence. Failing to see the OBVIOUS symptoms of poorly treated thyroid, and instead, recommending a slew of other tests and diagnoses.

In order to stop the destruction of the thyroid, you have to be 100% gluten-free. Gluten, even "whole grains," contain phytates that damage our intestinal lining and inhibit nutrient absorption. Many people make the mistake of running to their doctor for an allergy blood-test to find out if a food allergy is the root of their problems.

Thyroid Madness - Maria Mind Body Health

Stop The Thyroid Madness: How to Tell Your Thyroid Isn't Functioning Optimally. It can be difficult to detect if your thyroid is not functioning properly. Because it is responsible for producing so many different hormones, an underactive thyroid can manifest in a multitude of ways.
