In my research, I also learned about the structural support of an eggshell's dome. This can be shown by the fact that domes are three-dimensional arches. Arches are wedge-shaped objects that help to support the keystone at the top of the arch bearing all the weight. The keystone distributes the ...

Math (For AC , please see Ms. Hughes' blog) This week we will begin our unit on measurement by studying customary units of measure for length, weight, mass, and capacity. Students will understand the relationship between gallons, cups, quarts, and pints, and express equivalent measurements between larger and smaller units within the same measurement system.
