The continuous rated output is the output of an engine at optimum governed speed which is most favorable from the view point of engine's life and fuel consumption. When the engine is installed on a certain equipment, it is recommended that the continuous output required from the equipment to be kept below this continuous rated output.

**SERVICE MANUAL - lawnsolutionscp.com**

A CVT will be paired to both engines and, as is the case on every Subaru model but the BRZ sports car, the automaker's symmetrical all-wheel-drive system will be standard on the 2020 Outback.
