Specialized Pitch Review. The Specialized Pitch is the little mountain bike that could. Since it came from Specialized, we had high hopes for this bike. Due to the forgiving price tag, however, we were a little unsure. First off, the Pitch looks really great. You will never be able to tell just how little you paid for it.

It is a semiprofessional cycling, you can climb to the top of the mountain and then down where no one does. The pitch is defended better on descents, its geometry and its center of gravity makes it very stable in cornering and rough terrain, thanks to its 150 mm of rear travel, even if you decide to go into a bike park, enjoy as a child .
