Oil debates like this are similar on every bike and car forum with varying opinions on the type of oil used and frequency of the change. The fact is that car and bike manufacturers spend millions of dollars on R & D and that's why they come up with the oil specifications and maintenance periods for your bike.

While on a 25 mile trail ride yesterday, featuring fast, open trails, tight trails, and modest hill climbs, I just couldn't remove the smile from my face. This Suzuki 400 just hooks up and hauls. The suspension soaks up everything in its path, and I felt comfortable on the bike within a matter of minutes.
