Two challenges facing operations management are globalization and worker engagement in solving problems. Increasingly, operations managers must be flexible when coming up with solutions for operating a business within an alternative culture.

### **What Are the Challenges Facing Operations Management ...**

Solutions to Common Management Problems. It is an interesting fact that, irrespective of the product or service of the organisation in which they work, managers often face the same problems. The reason for the convergence is, that all managers must manage human beings; and human beings and systems don't always behave the way you want them to.
