Plug the power cord into a electrical outlet, turn the blanket "on" and set it to the highest setting. Wait for a few minutes (never more than 7), then place your hand between the folds to check if the blanket is heating. If not, you may want to try and reset it or contact Sunbeam's helpline.

### **How to Reset a Sunbeam Electric Blanket | Hunker**

Your Sunbeam® Warming Product is designed to provide the appropriate heat to help maintain your body's own warmth and to keep you comfortable. It does not operate like a heating pad or older electric blankets you may have used years ago. When you touch the warming product, it may not feel hot to the touch.
