Style Manual Book

Style Manual for Authors, Editors and Printers agrees with me and goes into more detail: The style recommended for the standard dash in Australian government publications is an unspaced em rule; this eliminates any possibility of confusion with the spaced en rule. The em rule, or dash, has three main uses: to signify an abrupt change

The Chicago Manual of Style

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings. These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.
