Merely said, the sql server 200 8 lab manual is universally compatible following any devices to read.

Sql Server 2008 Lab

Honestly, did the people putting this lab together think that they could cover 'Managing Microsoft SQL Server 2008 Analysis Services' in forty-five minutes? My class last year was three days long and we didn't cover everything then either. The lab was not entirely useless, as I picked up a few queries on how to monitor performance.
