Not every video in this series will be me talking, I will also be taking you through my rebuild as it happens, but first I wanted to address the costs involved since I have been asked about it a ...

Cost to Rebuild an STi Engine // Ep. 1 // The Engine Build Series

By the way, I think Subaru's are great cars and from a strictly speaking economic point, no matter how much it costs you, an engine rebuild is less expensive than 60 more months of car payments. And, your car has already given you almost 200,000 miles of service! So, by fixing the engine, you could easily go another 150,000 miles.

Subaru Outback Questions - Engine replacement - CarGurus

Rebuilding doesn't cost much. Bearings, piston rings, valve caps, timing belt+water pump, gaskets would be around \$3-400. The only issue would be if the cylinder walls, pistons and valves are still in good shape. With a higher mileage I'd probably change the pistons too just to be on the safe side.

How many miles are too many and what is the cost to ...

1) Rebuild the existing engine. Rebuilding the existing engine gets me new head gaskets, timing belt, hoses and costs about \$200 more than replacing the engine. 2) Replace it with a used engine with 85K. I know nothing about the engine history but will have a 5 month guarantee - about 4-5K of driving for me.

Decision time: Rebuild engine or replace? - Subaru Outback ...

Jasper Engines & Transmissions, the nation's leader in remanufactured products, announces the availability of its remanufactured Subaru 2.5L boxer engine. This SOHC four-cylinder engine is available on exchange for the following vehicles: 1999-2010 Impreza/Forester 2000-2009 Outback/Legacy 2002-2007 Baja

JASPER Offers Remanufactured Subaru 2.5L SOHC Boxer Engine ...

The twist here is that I found a place selling rebuilt longblocks for about \$1600. Engine has new pistons, rings, upgraded head gaskets, oil pump, bearings, freeze plugs, rebuilt heads, and gasket set. Clearly, this cost is about 3-4 times the head gasket job.

To rebuild or to replace engine...is the question. Need ...
