Solution-Focused Brief Therapy (SFBT) In this goal-oriented therapy, the symptoms or issues bringing a person to therapy are typically not targeted. Instead, a qualified therapist encourages those in treatment to develop a vision of the future and offers support as they determine the skills, resources, and abilities needed to achieve that vision successfully.

Solution-Focused Brief Therapy Overview, Solution-Focused ...

The SFBT approach assumes that all clients have some knowledge of what would make their life better, even though they may need some (at times, considerable) help describing the details of their better life and that everyone who seeks help already possesses at least the minimal skills necessary to create solutions.

What is Solution-Focused Therapy? - Institute for Solution ...

Not solutions, but Solution-Focused. This is to misunderstand the term. The approach is about the orientation taken by the practitioner – it is solution -focused rather than problem -focused. So the term indicates where we look: forwards, towards solutions, rather than backwards, by studying problems.
