Studying Engineering: A Road Map to a Rewarding Career ...

The only thing is, the only kind of engineering student it would help is a kid who has been living

under a damn rock for his or her whole life. It has the most pointless, most tedious, the most elaborate questions or problems to answer at the end I had to read this entire textbook, cover to cover, for my engineering class.

Studying Engineering: A Roadmap to a Rewarding Career by ...

text used. However, Studying Engineering is unique in that it is the only text I know of that attempts to develop engineering students into "self-growers" in the process of "success." And it does provide persuasive content and practice exercises to help achieve the attitudinal and behavioral objectives outlined in this Instructor's Guide.
