Fast forward to Christmas. My parents bought me the materials/orientation pass/exam to become a certified Spinning instructor through Maddogg Fitness. I was really surprised and nervous. I had to read the instructor manual before the spring semester for PSU began and my orientation (class day of learning) was scheduled for January.

### **Spinning instructor manual | Living My Full Life**

It's just one, long (9-hr) day of everything and anything Spinning. A couple weeks before the class, I received the Spinning Instructor Training Manual on my doorstep. To be completely honest, it stayed in its sealed packaging until the night before... Luckily, the instructor didn't expect us to be studied up before the training.

### **Spinning Instructor Training Review - Paige Kumpf**

The Indoor Cycling Instructor Certification created by real cyclists! If you're passionate about cycling and like to help others, this is the course for you! Teaching is an art, however cycling is also very technical. You'll need to learn both the science and the art in order to become a successful indoor cycling instructor.
