On Super pistols, the loaded chamber indicator must be removed before the firing pin retainer. On some Star pistols, notably the Firestar series, it's moderately common to get the takedown pin inserted improperly, so that the gun will not function and cannot apparently be stripped again.

Star Firearms: Find Your Weapon

I have just been given a " new, never fired " Star Model S .380 from an old Gent friend of ours. He bought this pistol back in the 60's or early 70's for security reasons and it ended up in a safe and never used. I have been buying and shooting firearms all my life, but this is my first Spanish weapon. I don't know anything about these little guns, but I went to the range yesterday, and put ...
