Airave 25 User Guide - levetajupe.com

I hope this helps you all, as it has totally transformed my Airave experience. Although, this is not the Sprint recommended way of setting up the Airave, this is, in my opinion, the best/only way to do so. This is a step by step guide for setting up your Airave behind your router, completely and fully. I want to be honest, and let you all know.

Tutorial: Set up your Airave Behind your Router - Sprint ...

Then I came to find out my issue is a known one, My lights on my Airave were flashing, then to find out so was the one on my power cord. The Power cord is in need of replacement, I called customer service and one is being shipped to me. But for all other purposes The airave is great and has helped me greatly to have service at my home!
