My name is Drew, and I have recently joined this forum. I am in college right now and have been in the arcade/pinball hobby for 4 years. I recently picked up a Super Shot basketball game, and one of the boards is bad. ( I think it is the main board, as it is the board to the left of the power supply).

I've always had trouble finding a manual for this one too, but I wouldn't worry, cause the manual pretty much blows in the way of information. Luckily they're pretty simple. Just treat it like half of a Super Shot Deluxe in how the sensors work. Both hoops have one sensor and a strip of reflective tape on the front of the hoop.
