Mixtures And Solutions Worksheets - Lesson Worksheets

About this Worksheet: This activity helps students identify the problem and solution as part of story elements. Students will read 4 short passages and write the problem and solution in the provided blanks. The activity can be used in 3rd or 4th grade, or where appropriate.

Story Elements Worksheet: Problem and Solution

Problem and Solution is a pattern of organization where information in a passage is expressed as a dilemma or concerning issue (a problem) and something that was, can be, or should be done to remedy this issue (solution or attempted solution). The problem and solution text structure may

seem like it would be easy to recognize, but it can be ...

Problem and Solution | Ereading Worksheets

At the completion of this episode's lesson(s), you should be able to:

- Describe and explain the process of forming a solution using the terms solute and solvent.
- Compare the properties of suspensions, colloids, and solutions.
- List the factors that affect the rate at which a solid solute dissolves in a liquid solvent.
