Best Answer: Sony's web site will provide a free owner's manual download, but you'll have to find out the model number. It should be printed on the faceplate, and will probably start with "CDX". Sony has used "Xplod" for their car audio line for at least the last 10 years, and 52x4 is a pretty common power rating for them, too; so you'll need more specific information before you start searching.
