Introduction. Gaining confidence in their teaching skills and developing their teaching ability in general are not just the concern of teachers who are new to the profession, but also of experienced teachers when they meet new challenges which seem to threaten their long-standing values and beliefs about learning and teaching, especially if these may imply changes to their teaching practices.

Used to and Would. 1. Both used to and would can be used to describe repeated actions in the past. They are virtually interchangeable, but from the point of view of style, it could be argued that would is slightly more formal, more 'bookish' and can convey the idea that the speaker is reminiscing about the past. It is often used in writing to talk about the past in a misty-eyed, sentimental way.
